

Rotary Club of James City County

PO Box 5956 Williamsburg Virginia 23188

Dear Sponsors and Friends,

The Rotary Club of James City County will be hosting our Eleventh Annual Charity Concert Series at The Kimball Theatre. This four (4) concert series will feature the finest local talent. The dates for these concerts will run through the 2020 calendar year. This year's performers will be Jason Burke Band, Billy Joe Trio, Fillmore Duo, and Soul Intent. All concerts will begin at 7:30pm.

This is an invitation to become a sponsor with six levels of participation available to you. Last year our four concerts were attended by over 1,600 individuals. Our concert playbills are distributed to all attendees prior to each concert and provide an excellent opportunity for sponsors to promote their services or show their support for Rotary programs.

The proceeds from these concerts will benefit Literacy for Life, The Arc of Greater Williamsburg, Williamsburg House of Mercy, and the Grove Christian Outreach Program. In addition, we provide dictionaries to all 3rd Graders in Williamsburg James City County (WJCC) public schools and award local high school seniors with scholarships to continue their education. The amount donated to each of these organizations or projects depends on the generosity of the sponsors. We hope to exceed the \$35,000 we raised last year, to keep pace with the increasing needs of the charities we support.

We hope you will be able to join us as a sponsor for what promises to be four fun-filled evenings of outstanding entertainment.

Sincerely,

Sue Harmon, President 2019-2020
