

The James City County Rotary Club was chartered by Rotary International in 1987 and is founded upon the principles of **Service above Self**. The club contributes to numerous service projects throughout James City County as well as to the goals and services of the worldwide organization.

The Club's members provide every Third Grade Student in the Williamsburg Area with their very own dictionary.

In addition to providing financial support to local charities, every member regularly and actively supports charities in the Williamsburg area.

All proceeds from the sale of these poinsettias benefit The James City County Rotary Charity Fund.

ROTARY CLUB OF JAMES CITY COUNTY

The James City County Rotary Club proudly supports a number of charities dedicated to improving the lives of our neighbors and friends in the Greater Williamsburg area.

We greatly appreciate your participation!

POINSETTIA SALES

Please take advantage of this great opportunity to beautify your home or office or just to give a cherished friend or neighbor a gift! Thank you for assisting a deserving student and promoting the meaningful work of James City County Rotarians!

These magnificent high-quality plants are grown at a local nursery with many years of support to the James City County Rotary Club.

Caring for your Poinsettia

A poinsettia's red, pink or white 'flowers' are really bracts – or modified leaves – surrounding its true, nub-like, yellow-green flowers. During the winter flowering season, keep your poinsettia in bright filtered light, at normal room temperatures (above 55 degrees at night) and avoid drafts. Water it well, letting the soil dry out slightly between waterings.

ORDER EARLY!

Red, pink and white poinsettias are available. Each plant is foil wrapped and ready to display in your home or to give as a thoughtful gift!

Regular: Two plants per pot with approximately 8 blooms

Large: Four plants per pot with approximately 20 blooms
