

Sponsorship Opportunities for September 21st Golf Tournament

Good evening, JCC Rotary Club Members.

The purpose of this email is to provide information on more ways to connect to this fellowship and fund-raising event - our Golf Outing on September 21st. Since we cannot conduct our concert series in 2021, your JCC Board wants to upgrade our goal for this golf outing and raise \$5,000 or more! This can only be achieved if every member participates.

First, we need players. We are only at 50% of our last District tournament. If you are a golfer, please sign up. If not, please ask your friends and neighbors who are golfers to sign up. (See attached flyer or previous emails)

Second, these are the three categories of fund raising for this golf outing. We need everyone to at least secure 1) a hole sponsor; 2) a raffle prize; or 3) a cash donation

1. Hole Sponsorship - \$ 200.00 per hole. This will allow the sponsor to place a promotional item in our registration "diddy bag" and have a sign on a hole recognizing their sponsorship (club/company name, etc.) We need a minimum of 18!!
2. Raffle Prizes - Provide items to raffle off at lunch after golf. You or your source will be acknowledged as the donor of the raffle items. Raffle tickets will be sold at check in. We need 20-25 items. Examples: Rounds of golf at our nearby golf courses; box of golf balls; putter or club that are new or barely used; golf shirts; hats; etc.
3. \$\$ Donations - If you cannot solicit sponsorships and raffle prizes, please consider a cash donation. Make checks to the James City County Rotary Club Foundation.

If you successfully secured sponsors for our charity concerts in the past, please reach out to those sponsors and request their continued support to benefit our local charities. If you personally donated (paid for an "ad" in the concert booklet), please consider doing it again.

As you collect hole sponsors, raffle prizes and \$ donations, please e-mail information to Jack Clark (Jack.Clark201@cox.net) or Gary Chenault (dggary1516@icloud.com). For hole sponsors, include the exact name the sponsor would like on their hole sign. Friday, 10 Sep is the final cut-off date for hole sponsors. Jack will provide weekly progress updates as you provide information.

Please act immediately as we are down to 46 days. We need everyone's

involvement to meet or exceed our goal and have \$\$\$ for our charities and scholarships in 2022!! Thank you!

Jack Clark
